Dear Eleanor,

We're very sorry to hear about your ankle — we hope you feel better soon.

Unfortunately, as your request was received less than 24 hours before departure (your email arrived today at 09:10 for this evening's 18:30 cruise), your booking falls under our late-cancellation terms and the full amount of €120.00 is non-refundable. We are also unable to transfer the booking to another date, as our September sunset cruises are fully booked through to the end of the month.

We hope to welcome you on board on a future visit to Lisbon.

Best wishes,

Mariana

Hi, I have a booking for two for tonight's sunset cruise (RBT-48213). Unfortunately I sprained my ankle yesterday and the doctor has told me not to walk much for 3 days, so I don't think I can manage it. Is it possible to get a refund or move the booking? I can send a doctor's note. Thanks, Eleanor
