Dear Ms Whitcombe,

Thank you for submitting your travel claim. Your claim reference is CLM-2026-004817. We have received your claim form, your statement and 22 attachments.

To assess the personal belongings part of your claim we need a copy of the original police report as issued by the police (in Portuguese). We have received your translation, which is helpful, but we need the original document as well.

Kind regards,
